Denotes overnight stay required. Please note that for overnight tournaments, our admin will get a block of rooms for each team. The blocks are emailed to the TM and it is the responsibility of the parent to make the reservation. At most overnight tournaments, we do not select the hotels. A hotel service is used by the tournament and we have to use this service as an attending team of the tournament. If you have any questions, please contact JJ Ruane at jjruane@palatineceltics.com.
